

Manjot Kaur

Full Stack Developer

manjotkaurgill26@gmail.com | +91-8558041770 | <https://github.com/ManjotKaurGill>

Career Objective

Passionate Full Stack Developer with a strong foundation in React and Firebase, eager to apply skills in real-world applications and contribute to building modern, scalable web solutions.

Education

- **Baba Farid College of Engineering and Technology, Bathinda (2022-2026)**
Bachelor of Technology in Computer Science (2022 – 2026)
- **Bhai Mastan Singh Senior Secondary Public School, Sri Muktsar Sahib (2021-2022)**
Senior Secondary (PCM) (2021 – 2022) | Percentage: 90.6%.

Projects

TaskCanvas – A Collaborative Task & Sketch Board

- Developed a **full-stack task management application** using **React and Firebase**, enabling real-time **team collaboration** with canvas-based visual planning.
- Implemented secure **user authentication** with **Firebase Authentication** supporting **Email** and **Google Sign-in**.
- Integrated **Canvas API** for per-task sketching functionality within a shared **collaborative UI**.
- Built an interactive **drag-and-drop task board** with full **touch gesture support** for mobile responsiveness.
- Deployed the application on **Vercel**, using **Firebase Firestore** for **real-time cloud database integration**.

Personal Portfolio Website

- Created a **responsive developer portfolio** to professionally showcase my projects, skills, and certifications.
- Built using **React.js**, styled with **Bootstrap** for a modern and clean UI.
- Organized content into clearly defined sections: **About Me, Skills, Projects, Certifications, and Contact**.
- Embedded live demo links and GitHub repositories to highlight practical work and project experience.
- Ensured full **cross-device responsiveness, accessibility, and performance** to ensure smooth user experience.

Skills

- **Languages:** JavaScript
- **Frontend:** HTML, CSS (Bootstrap, Tailwind CSS), React
- **Backend:** Firebase
- **Databases:** Firestore, MySQL
- **Tools & Technologies:** Git, GitHub, Postman, VS Code

Certifications

- **JavaScript Course – Unlocking the Power of JavaScript**
Scaler Topics — Completed 70 Videos, 9 modules, 8 Challenges.
- **SQL Course – Learn SQL using MySQL and database design**
Scaler Topics — Completed 48 video tutorials, 5 modules, and 5 hands-on challenges.
- **Intel® Unnati Industrial Training – 2024**
Intel India — Worked on Structured Datasets by building a crop recommendation system.
